# Overview

At Adroit Forms Limited, we are committed to excellence in service delivery, backed by a proven track record of successfully executed projects. Our reputation is built on innovation, cost-effective solutions, and adherence to global best practices, ensuring client satisfaction at every stage.

Our team comprises highly skilled and experienced professionals in Architecture, Engineering, and Project Management, driven by a passion for excellence and efficiency. We continuously explore sustainable and cost-effective alternatives to provide tailored solutions that align with our clients' budgets without compromising quality.

At Adroit Forms Limited, we don't just deliver projects, we give value.

## Who We Are

We are a company focused on solving housing, accommodation, and environmental problems holistically with a team of diverse professionals spanning various disciplines which includes architecture, engineering, survey and project management with a joint experience of over 40 years.

## What We Do

We plan, proffer and execute solutions to fundamental shelter needs by creating value through excellent products and services in Construction, Site Analysis, Permit/Approval Applications, Architectural Design, Facility Management, Remodeling, Real Estate Development and Consultancy.

## Why We Do It

At Adroit Forms we're driven by a passion to make a meaningful impact. We believe that our work is not just about building structures, but about building trust and relationships. We are motivated by the desire to deliver exceptional value to our stakeholders. Our goal is to create spaces that inspire, connect, and uplift people.

Adroit Forms Limited is committed to making a positive difference in our community. By doing what we do, we aim to leave a lasting legacy.

## How We Do It

To assist in achieving our desired objectives, we engage our team of professionals, adopt and apply feasible strategies in Design, Construction and Operation, prioritizing time, cost and quality as well as health, safety and environment while ensuring profit and value for all stakeholders with particular interest in our host communities.

# Our Vision

**T** - Teamwork

## DESIGN

Adroit Forms Limited excels in innovative design solutions tailored to meet the specific needs of our clients. Our skilled team of architects collaborate closely to create functional and aesthetically pleasing designs that maximize space and efficiency. Utilizing advanced software and modeling techniques, we ensure that every project is meticulously planned, considering both form and function. Our design services encompass residential, commercial, and industrial projects, ensuring that we can cater to a diverse range of requirements while adhering to regulatory standards and sustainability practices.

## ENGINEERING

Our engineering services at Adroit Forms Limited focus on delivering robust and efficient solutions across various disciplines. With a team of experienced engineers, we provide comprehensive services that include structural, mechanical, and electrical engineering. We emphasize precision and innovation, utilizing the latest technology to develop designs that are not only effective but also sustainable. Our engineers work closely with the architectural team throughout the project lifecycle, ensuring that all technical requirements are met and that the final product aligns with industry standards and client expectations.

## PROJECT MANAGEMENT

Adroit Forms Limited provides comprehensive project management services that ensure the successful execution of projects. We are skilled in coordinating all aspects of a project, from planning and budgeting to scheduling and quality control. We utilize effective communication and collaboration techniques to keep all stakeholders informed and engaged throughout the project lifecycle. By applying best practices in project management, we are able to mitigate risks, optimize resources, and deliver projects on time and within budget.

## FACILITY MANAGEMENT

Adroit Forms Limited offers comprehensive facility management services aimed at optimizing the performance of buildings and infrastructure. Our team ensures that facilities are maintained to the highest standards, enhancing operational efficiency and occupant satisfaction. We provide a range of services, including maintenance, and space management, tailored to meet the specific needs of each facility. Our proactive approach helps in identifying potential issues before they become significant problems, ensuring smooth operations and longevity of assets.

## CONSTRUCTION

Adroit Forms Limited is dedicated to delivering high-quality construction services that exceed client expectations. Our construction team is composed of skilled professionals who manage every aspect of the building process, from site preparation to final touches. We prioritize safety, efficiency, and sustainability, ensuring that projects are completed on time and within budget. By employing advanced construction techniques and maintaining open communication with clients, we provide a seamless construction experience that results in exceptional buildings.

- a. **FABRICATION AND INSTALLATION SERVICES:** Adroit Forms Limited specializes in fabricating and installing steel structures, pressure vessels, and tank farms. Our advanced fabrication facilities ensure precision and quality, while our experienced team manages the installation process for safe and correct assembly. We recognize the importance of effective fabrication and installation in project success, tailoring our services to meet each client's unique needs for optimal satisfaction.
- b. **SCAFFOLDING:** Our scaffolding services are designed to provide safe and reliable access solutions for construction sites, and also support various project needs, from residential buildings to large-scale industrial sites. Our team conducts thorough assessments to determine the best scaffolding solutions, ensuring safety and compliance with industry regulations. We emphasize the importance of quality materials and expert installation, allowing us to create stable scaffolding structures that enhance productivity and safety on-site.

## CONSULTANCY

Adroit Forms Limited offers comprehensive consultancy services covering architectural design, engineering, construction, project management, fabrication, and property management. Our expert team collaborates closely with clients to deliver innovative and functional solutions tailored to their specific needs. With a commitment to quality, innovation, and client satisfaction, we ensure successful project delivery from conceptualization to completion.

### Why Choose Us:

1. We have an experienced team of Architects, Engineers, Project Managers, and Property Experts.
2. Tailored solutions to meet the specific and peculiar needs of each client and project.
3. We are committed to quality, innovation, and sustainability which is proven through our track record of delivering successful projects on time and within budget.
4. We are dedicated to our client's satisfaction and long-term Partnerships.

Whether you're embarking on a new project, seeking to enhance the value of your property portfolio, or require expert guidance in any aspect of design and construction, Adroit Forms is your trusted partner every step of the way.

A modern building facade featuring a combination of glass, concrete, and dark vertical slats. The building has a multi-level design with a prominent overhang. The background is a bright, overcast sky. A large orange rounded rectangle is overlaid on the right side of the image, containing the text.

## REAL ESTATE

Our real estate services encompass a wide range of activities, including property development, management, and investment. Adroit Forms Limited is committed to identifying and maximizing the potential of real estate opportunities. We conduct thorough market analysis to inform our strategies, ensuring that our clients make informed decisions. Whether it's residential, commercial, or mixed-use developments, our team is dedicated to creating value through strategic planning and execution.

## OTHER AREAS OF INTEREST

At Adroit Forms Limited (AFL), we understand that collaboration is crucial for fostering innovation and achieving sustainable impact. Our other areas of interest are shaped through strategic partnerships with NGOs, government agencies, and private sector organizations. These alliances allow us to leverage diverse expertise and resources, ensuring our initiatives are effective and aligned with community needs and industry standards.

**1. HUMAN CAPACITY DEVELOPMENT:** We are committed to human capacity development, aiming to enhance the skills and competencies of individuals in the communities we serve. Through partnerships with educational institutions and training organizations, we design and implement tailored training programs that address the specific needs of the workforce. Our initiatives focus on technical skills, leadership development, and vocational training, empowering individuals to improve their employability and contribute meaningfully to the economy. By fostering a culture of continuous learning, we help build resilient communities equipped to face evolving challenges.

**2. AGRICULTURE:** In the agricultural sector, Adroit Forms Limited partners with various stakeholders to promote sustainable farming practices and improve food security. Our initiatives focus on enhancing agricultural productivity through innovative techniques, access to modern equipment, and training for farmers. By collaborating with agricultural extension services and research institutions, we support the development of resilient agricultural systems that can withstand climate challenges. Our goal is to create a robust agricultural framework that not only increases output but also promotes environmental sustainability and the well-being of farming communities.

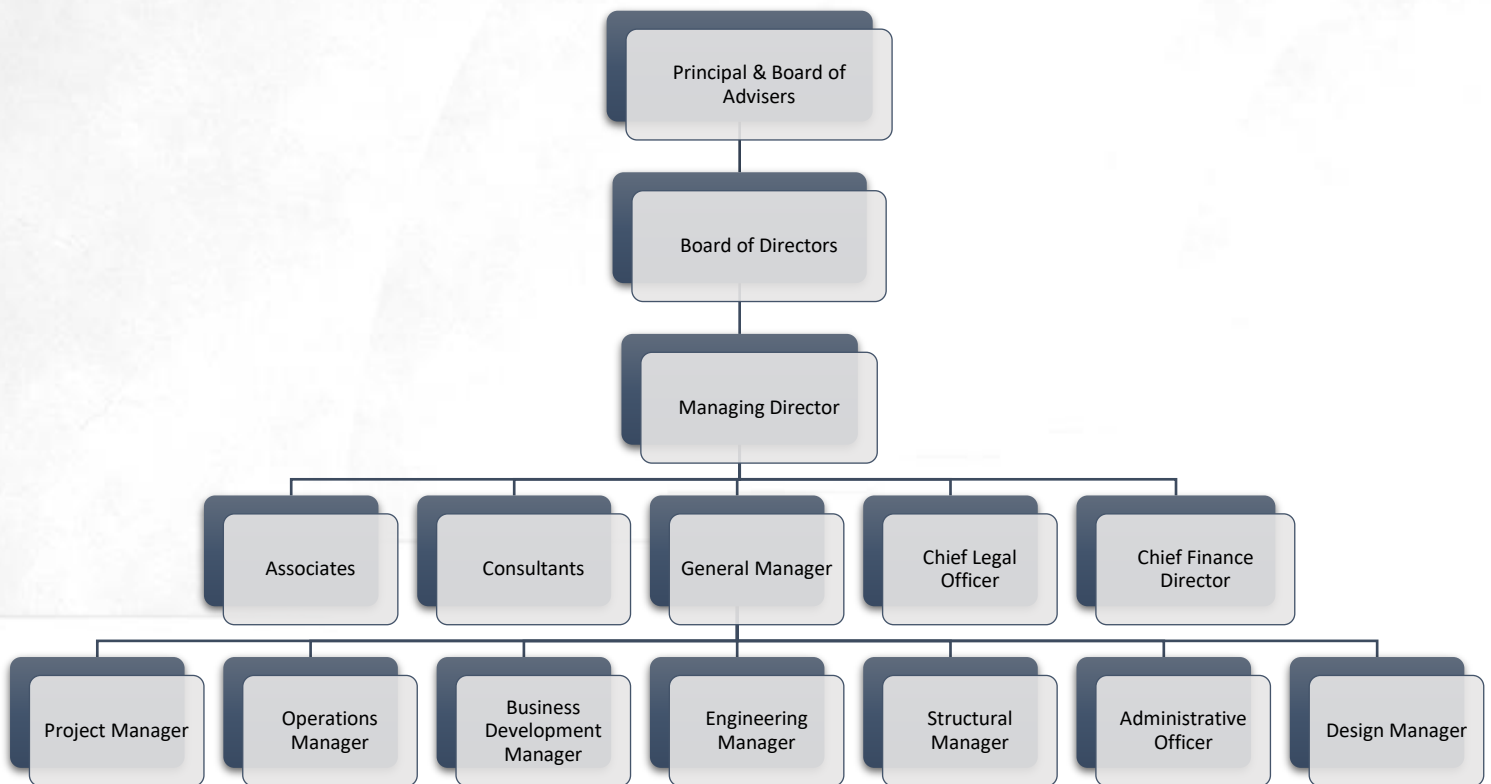

**3. MANUFACTURING:** Adroit Forms Limited engages in the manufacturing sector through strategic partnerships that drive innovation and efficiency. We collaborate with industry leaders and technology providers to enhance production processes and develop high-quality products. Our focus is on adopting sustainable manufacturing practices that minimize waste and reduce environmental impact. By working together with our partners, we aim to create a competitive manufacturing landscape that fosters economic growth, job creation, and technological advancement, ultimately benefiting local communities and the broader economy.

**4. HOUSING:** In the housing sector, Adroit Forms Limited partners with various organizations to address the growing demand for affordable and quality housing solutions. Our initiatives focus on developing sustainable housing projects that meet the needs of diverse populations. By collaborating with governmental and non-governmental organizations, we strive to create livable spaces that promote well-being and community cohesion. Our approach emphasizes the use of sustainable materials and cost effective practices, ensuring that our housing solutions are not only affordable but also environmentally friendly, contributing to the overall improvement of living conditions in the areas we serve.
